Neeral Wadhwani

San Francisco, CA | (415) 964-8777 | nwadhwani@dons.usfca.edu | linkedin.com/in/neeralwadhwani
Portfolio: neeral-design-portfolio

EDUCATION

University of San Francisco (USF) — **San Francisco, CA**
B.S. Business Administration, Major: Business Analytics; Minor: UX/UI — Expected Graduation - May 2027
Overall GPA: 3.56

SELECTED DESIGN PROJECTS

Pausepoint — **Figma | p5.js**
- Designed a social feed and pause checkpoint, developing paper sketches and Figma screens before building an interactive p5.js prototype.
- Used timers, visual feedback, and continue or quit interactions to explore conscious choices about scrolling.

Brunch Spots Near USF — **Figma | HTML | CSS**
- Created a brunch guide for USF students, translating paper sketches and Figma wireframes into a working website with photographs, reviews, and clear navigation.

Neeral's Feed — **HTML | CSS**
- Designed and built a personal website with a cohesive pink visual identity, typography, and illustrated details to present everyday stories and photographs.

EXPERIENCE

University of San Francisco — Residential Life — **San Francisco, CA**
Resident Advisor, Loyola Village Townhouses — *August 2026 - Present*
- Plan community activities and meet individually with residents to understand their needs and connect them with university resources.
- Mediate roommate discussions and living agreements, helping residents set expectations for shared spaces.
- Coordinate resident outreach and document follow-up in StarRez with the Residential Life team; support safety through on-call duty and rounds.

University of San Francisco — University Ministry Tutoring Program — **San Francisco, CA**
Tutor — *January 2026 - Present*
- Provide reading, writing, and math support for second-grade students and individual classroom assistance for grades 6–8.
- Adapt tutoring techniques to student needs and collaborate with teachers and fellow tutors to support learning.

University of San Francisco — College of Arts and Sciences — **San Francisco, CA**
Social Media Intern — *February 2026 - May 2026*
- Managed the college's Instagram account, creating reels, posts, stories, and captions aligned with its brand and audience.
- Coordinated outreach, video shoots, and editing to share college life through social media.
- Produced graphics and videos in Canva, CapCut, and InShot and updated LinkedIn content for consistent messaging.

Mercedes-Benz — **Indore, India**
Internship — *May 2024 - July 2024*
- Assisted a seven-person operations team with market analysis, client communication, and promotional campaigns.
- Researched market trends, product features, and customer preferences to support business and sales activities.
